- Junior in Computer Information Science(CIS), Ohio State University
    - September, 2019.9 -- July, 2023.7(Expecting graduation date)
- GPA: 3.8
- undergraduate researcher - Miniapp cybersecurity

🗂 Description

- Hi, I'm currently a junior in college. I am also an undergraduate researcher with a focus on miniapp security. I really like to practice what I learned by writing projects (I participated in datafest and web hackathon). In addition, I am open to opportunities that allow me to learn new things.

💼 Project experience

- **C programming language**

    - **CSE2421 Introduction to Low-Level Programming and Computer Organization**

      ```
      Professor: Janis Jones
      Semester: 2021 Spring
      Grade: A- (full marks for all projects)
      ```

- **Web programming**

    - **CSE 3901: Web Applications**

      ```
      Professor: Scott Sharkey
      Semester: 2021 Fall
      Grade: A (highest grade for all group projects)
      ```
